

Dear Secretary-General of the United Nations António Guterres,

**As concerned citizens from around the world, we call on you to urgently address the human rights situation in West Papua** and to review the UN's involvement in the administration of West Papua that led to its unlawful annexation by Indonesia -- and the human rights abuse that continues today.

We call upon you to: - appoint a Special Representative to investigate the human rights situation in West Papua; - put West Papua back on the Decolonisation Committee agenda and ensure their right to self-determination -- denied to them in 1969 -- is respected by holding an Internationally Supervised Vote (in accordance with UN General Assembly Resolutions 1514 and 1541 (XV)).
